

Hillrom™

October 1, 2019
Electrode Consolidation Notice

Dear Valued Customer,

We are issuing this letter to inform you that effective December 1, 2019 Hillrom will consolidate its electrode offerings. This is in an effort to streamline and simplify the ordering process. All discontinued electrodes will continue to be offered until all existing inventory is depleted.

If you are currently purchasing any of our electrode kits, we will be discontinuing those and recommend purchasing the coordinating electrode type in its place.

For your reference, attached are charts outlining the affected part numbers.

We thank you for your business, partnership and loyalty, and we look forward to continuing to serve your needs with other Hillrom products.

We appreciate your understanding in this matter and will continue to help you provide the best possible patient care. Please contact our customer service department at 1-800-535-6663 or your Hillrom representative with questions regarding this notice.

Sincerely,

Lillian V. O'Neill
